THE VICTORIA CROSS

CONTINUED FROM

"*The Monthly Army Lists*" of March, June, July, October and December, 1857, January, February, May, July, September, October and November, 1858, January, February, May, June, July, August, October, November and December, 1859, February, March, June, July, September, October and December, 1860, March, April, August and September, 1861, and March and June, 1862.

War Office, 20th June, 1862.

THE QUEEN has been graciously pleased to signify her intention to confer the decoration of "The Victoria Cross" on the under-mentioned Officer of Her Majesty's Army, whose claim to the same has been submitted for Her Majesty's approval, for his conspicuous bravery during the siege of Lucknow, as recorded against his name, viz.:—

32nd Regiment (now of the 100th Regiment).—Captain HENRY GEORGE BROWNE.—Date of act of bravery, 21st August, 1857.—For conspicuous bravery in having, on the 21st August, 1857, during the siege of the Lucknow Residency, gallantly led a sortie, at great personal risk, for the purpose of spiking two heavy guns, which were doing considerable damage to the defences. It appears from the statements of the non-commissioned officers and men who accompanied Captain Browne on the occasion, that he was the first person who entered the battery, which consisted of the two guns in question, protected by high pallisades, the embrasures being closed with sliding shutters. On reaching the battery, Captain Browne removed the shutters and jumped into the battery. The result was that the guns were spiked, and it is supposed that about one hundred of the enemy were killed.

War Office, 27th May, 1862.

THE enclosed* form of requisition for school books, stationery and materials, showing the price of the articles included therein, is furnished for the information and guidance of Commanding Officers and schoolmasters of garrison and regimental schools, and with a special view to enable Commanding Officers, when considering or confirming requisitions, to ascertain that due regard has been paid to economy, both in the general management of the schools and in framing the demands for supplies.

The requisitions, after being considered and signed, should be transmitted, in the first instance, direct to the Council of Military Education, 13, Great George Street, Westminster, S.W., instead of to the War Office, as heretofore.

Secretary Sir George C. Lewis has, in concurrence with His Royal Highness the General Commanding in Chief, fully approved the form, and requests that the object for which it has been framed may be specially borne in mind when requisitions for supplies are made.

War Office, 29th May, 1862.

DOUBTS having arisen as to the correct interpretation of the existing Regulations in regard to the increase of pay of 1*s.* a day granted to Army Schoolmasters, Secretary Sir George Lewis has, in concurrence with H.R.H. the General Commanding in Chief, decided that the following Regulations, explanatory of the conditions under which the increase is granted, and the mode of reckoning service towards such pay, and to pension on retirement, should be promulgated for the information and guidance of the service.

1. The increase of 1*s.* a day may be granted to trained schoolmasters on the completion of ten years' service as such—each year's service as assistant schoolmaster being permitted to reckon as six months towards the required period; the time, however, spent at the Royal Military Asylum in qualifying for appointment as trained schoolmaster being wholly excluded. This Regulation is also applicable to the reckoning of service towards pension as schoolmaster.

2. In the cases of men drawn from the ranks, and who qualify as trained schoolmasters, the period spent at the Royal Military Asylum must be wholly excluded; the increased pay of 1*s.* a day is therefore only admissible after ten years' service, reckoning from date of enlistment, as trained schoolmaster; half of the previous military service however, allowed to reckon towards pension as schoolmaster.

FOREIGN.

War Office, 27th May, 1862.

SIR,—The attention of the Secretary of State for War has been called to the necessity which exists for some more definite rules being laid down for the guidance of Her Majesty's Government in dealing with applications from the Colonies for the supply of Arms and Ammunition for the use of the local Militia and Volunteer Corps.

Sir George Lewis having consulted the Secretary of State for the Colonies on the subject, it has been agreed to adopt the series of Rules and Conditions of which copies are annexed.* These Rules have accordingly been communicated by the Duke of Newcastle to the Governors of the various Colonies, through whom alone requisitions for Military Stores for the use of the local forces can in future be received.

In order to assist the Secretary of State in forming a correct estimate as to the amount and efficiency of the local military forces likely to be available for the defence of the Colony in case of need, I am to instruct you to select one or more Officers to inspect annually the Corps, and also the Arms and Armouries, and to fill up a form of report * (according to the enclosed), which report you will transmit to this Office together with any observations which you may have to offer thereon.

I also enclose copies of "Regulations* for the marking and preservation of Arms issued to corps of Colonial Volunteers," which the Secretary of State is desirous should be adopted, so far as circumstances will admit.

I am, Sir, your obedient Servant,

To Officers commanding. EDWARD LUGARD.

* May be had upon application at the War Office.

WITH reference to the Circular Memorandum, dated Horse Guards, 11th March, 1862, No. 189,* containing instructions relative to Serjeant Master Tailors for Regiments of Foot Guards and Battalions of Infantry of the Line, His Royal Highness the General Commanding in Chief desires it to be understood that no charge is to be made against the soldier for fitting his clothing for the current Military year,—as, to regiments not yet supplied with a Master Tailor under the new regulations, the Secretary of State for War will admit a sum not exceeding 8*d.* for each tunic, 3*d.* for each pair of cloth trousers, and 2*d.* for each pair of serge trousers, as a charge against the public.

* Vide Army List for May, 1862, p. 335.

CIRC. MEM. No. 206—*continued.*

His Royal Highness would take this opportunity of explaining, that when a Master Tailor is appointed to a Depôt Battalion under terms of the Circular above quoted he may, when an opportunity offers, be transferred annually, in rotation, to each of the Depôts composing it, so as to distribute the loss of a duty serjeant fairly throughout the Battalion, and not press unduly on any particular Depôt.

In the case of regiments serving abroad, the Service Companies of which may already have a suitable man for the appointment of Master Tailor with them, and who could not, on that account, undergo the necessary examination at Pimlico, application may be made for his being confirmed in his appointment, provided the Officer Commanding will certify that he considers him in every respect a man thoroughly qualified for the duties he will be required to perform.

No. 17.—Gen. No. 157. *War Office, S. W., 8th May,* 1862.

SIR,—I am directed by Secretary Sir George Lewis to acknowledge the receipt of your letter of the 25th March last, requesting to be informed of the existing regulations with regard to the service of men who fraudulently enlist in the Line while unreleased from their engagement to serve in the Militia.

I am, in reply, to acquaint you, for the information of His Royal Highness the General Commanding in Chief, that Sir G. Lewis is of opinion that, in accordance with Clause 50 of the Mutiny Act for 1860-61 and 1861-62, these men commence to reckon their service towards the completion of the period for which they enlisted, from the date on which they were attested for the Line; but, that as regards good conduct pay while serving, and pension on discharge, the advantages of all service prior to the expiration of the period of their Militia engagement is forfeited.

OFFICERS commanding Detachments of time-expired men and others sent home from abroad, having, from want of the Defaulter's Sheets of such men, experienced difficulty in complying with the regulations regarding their trial and punishment, and much delay having been occasioned in carrying out their discharges in cases where, after leaving their regiments they may have become entitled to Good Conduct Pay,—His Royal Highness the General Commanding in Chief directs that, in future, the Company Defaulters' Sheets of all men sent from the Service Companies of their regiments shall be given in charge to the officer under whose command they are placed, who will, on landing, cause them to be duly transmitted to the Invalid or Regimental Depôt, as the case may be.

In the case of men landed at the Cape, or at any other colony, for discharge, their Company Defaulter's Sheets will be handed over with the Discharge Documents to the Officer commanding there.

In the latter, as in all other cases of men discharged abroad, the Defaulter's Sheets should, after the discharge has been confirmed, be forwarded to the Regimental Depôt, to there to be retained for the prescribed period.

A duly certified copy of any previous convictions by civil power will, where such exist, be attached to the Defaulter's Sheets.

In cases of men re-enlisting or re-engaging within the prescribed period, the Company and Regimental Defaulters' Sheets, and the Court-martial Sheets, will be obtained on application,—the former from the Depôt, and the two latter from the Service Companies of the regiment.

VOLUNTEER CIRCULAR, No. 23.

War Office, 15th May, 1863.

THE Secretary of State for War being anxious to enable Volunteers to reduce the costs of their uniforms, has decided upon allowing the following descriptions of Cloth to be issued from the Public Stores, and delivered at the Head Quarters of such Corps as may require it, at the under-mentioned prices :—

	s.	d.	
1. Scarlet	8	11¾	per yard.
2. Rifle Green	9	2	,,
3. Artillery Blue	8	5½	,,

10. Gray Tweed for Tunics and Trousers	4	1½	,,

Patterns of the above descriptions of Cloth are deposited for inspection at Her Majesty's Store Office at Pimlico, and at the Stations named in the enclosed list. It is necessary that requisitions for Government Cloth should be made out upon the annexed form, and sent to the War Office not latter than the 1st of June in each year [see post, p. 334], the issues being made upon the 1st of November following.

These requisitions are to contain the full demand of each Corps for the ensuing year, so as to avoid the inconvenience attending supplemental requisitions.

The requisitions are to be made by Commanding Officers of Corps, the words Volunteer Clothing being written on the corner of the cover.

No Cloth will be issued to Corps against whom there may be outstanding claims.

It is considered that no difficulty will be experienced by Commanding Officers in having the uniforms for their Corps made up by tradesmen in their respective localities or by Army Clothing Contractors, and with a view to guide Commanding Officers in this matter, it may be useful to state that during the year 1857, Cloth was supplied from the Public Stores to Contractors, who furnished the trimmings and made up the Clothing for the Army at the under-mentioned prices, viz. :—

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, if it arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted. A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the same in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will in any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united. Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, will submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal be bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Foreign Office, May 10, 1855.

MEMORANDUM.

ARTIFICIAL ARMS AND LEGS.

THE Lords and others Commissioners of Chelsea Hospital having, at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's Licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, in which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

WARRANTS, CIRCULARS, &c.

70 — CIRCULAR, No. 764.

Gen. No. 1,359. — HOME.

War Office, 11*th June*, 1862.

THE Secretary of State for War has been pleased to direct that all persons belonging to the Civil Departments under the War Office, in the United Kingdom (who may not by the existing rules of the Department be entitled to any regular vacation), shall, if they desire it, be granted leave of absence for one or two days, with pay, to enable them to visit the International Exhibition in the course of the present Summer; such leave of absence to be extended, in the case of those residing at a distance from London, according to the time required for the journey to and from London.

It must be understood, however, that this indulgence is not to entail any expense upon the public, beyond the pay of those persons who are disposed to avail themselves of it; and that the leave of absence is to be arranged in such manner as will cause least inconvenience to the public service.

EDWARD LUGARD.

57 — CIRCULAR No. 765.

Gen. No. 2,444. — HOME AND FOREIGN.

War Office, 18*th June*, 1862.

THE Secretary of State for War, considering the extensive provision of Stores of all kinds which it has been deemed expedient to make during the last few years with reference to actual or possible emergencies, directs the attention of Commanding Officers Royal Artillery and Royal Engineers, Military Store Officers, Barrack Masters, Purveyors and others to the necessity of refraining from demanding further supplies, until the quantities on hand, if in excess, have been reduced to what may be considered a fair proportion equal to the ordinary wants of the service.

With the exception of the more important articles, such as guns, carriages, small arms, powder, ammunition, intrenching tools, camp equipage, &c., of which the reserves must necessarily be large, owing to the length of time occupied in their manufacture, and for other reasons, it has hitherto been considered that, generally speaking, a store equal to the expenditure of one year and a-half, or two years, would be sufficient to prevent any delay in the completion of all service requisitions occurring before the next annual demand could be supplied; but the Secretary of State desires that this rule should only be adopted in cases where it may be absolutely necessary; and that wherever compatible with the necessary supply and efficiency of the Service, a smaller amount should be maintained.

In order to reduce as much as possible the estimates to be in future prepared to Parliament, the Secretary of State has directed the amount of Stores in hand at each station to be carefully investigated, and the surplus, if any, at one station made available for the deficiency at another. For this purpose, the attention of Military Store Officers is called to the Triennial Returns instituted by Order, 3rd September, 1850 (P—1,219), "*for the adjustment of any excess which, from time to time, may be indicated by the average consumption of Stores, or the well-considered probable wants of the Service.*" Military Store Officers in charge are, therefore, to prepare these returns for the consideration of the Secretary of State with as little delay as possible. At foreign stations they are to be submitted to the General or other Officer Commanding, who will transmit them with such observations as he may have to offer to the Secretary of State.

Moreover, in order that the Secretary of State may be enabled more readily to compare the Store with the requirements of the station, Military Store Officers for the future will insert in red ink in their ledgers (above "*the State*") the proportion of each article of which a specific number has been directed to be held in charge, and of others the number or quantity which the nature of the article or other circumstance may render it in their opinion *really* necessary to keep always in Store.

Military Store Officers, Barrack Masters and others concerned in the preparation of demands are further required to be particularly careful in filling up with accuracy the several columns in the printed form of demand, especially that which shows the average annual issues, and to furnish full and particular information in justification of the numbers of the several articles demanded.

To Commanding Officers Royal Artillery and Royal Engineers, Military Store Officers, Barrack Masters, Purveyors and others.

f pay of their rank, in addition to Staff pay, and the Officers employed at the Royal
itary College a fixed rate of College pay in lieu of Regimental pay.

t is also our will and pleasure, that Officers of the substantive rank of Major, who
e completed their term of service in the Staff Appointments of Assistant Adjutant
neral, Assistant Quarter Master General, Military Secretary and Assistant Military
retary, and have performed the duties thereof to the satisfaction of the General
mmanding in Chief of our Army and of our Secretary of State for War, shall, on
ieval from the Staff, be promoted by Brevet to the rank of Lieutenant Colonel.

having also been represented to us that it is expedient to revise the system under

ther will and pleasure that Regimental Colonels and Lieutenant Colonels of Artillery
Engineers, who may hereafter be nominated to such appointments, shall be placed
the same footing in respect to pay as Officers of Cavalry and Infantry, and that such

h the rank of Colonel on the Staff, and Captains and Subalterns of the Royal Artil-
y and Royal Engineers employed at the Royal Military College and Royal Military
ademy, shall be governed by the Regulations hereunto annexed.

By her Majesty's command,

G. C. LEWIS.

Regulations referred to in the preceding Warrant.

1. On the appointment of a Regimental Major to the Staff, under the provisions of the annexed Royal Warrant, the step will go in the Regiment without purchase; the vacancy or Ensigncy vacated by this promotion being filled by purchase, for the benefit of the Reserve Fund.

2. On removal of the Major from the Staff on completion of the regulated period of Staff service, viz., five years, or on the resignation of his appointment on grounds satisfactory to the General Commanding in Chief and Secretary of State for War, he will continue, as a Supernumerary Officer, to receive as Regimental pay an amount equal to the half pay of his rank (even though he may then be the senior Major of the Regiment), till a vacancy shall occur into which he can fall.

3. If, however, a vacancy shall happen by the sale of the Lieutenant Colonelcy, and the Supernumerary Major shall purchase, the existence of the Supernumerary Majority will be put an end to by payment from the Reserve Fund of the difference between the amount to be paid by the Major so promoted, and the value of the Lieutenant Colonelcy.

4. If the Major on the Staff shall die while so employed, no promotion will take place, as the Regiment will already have had the benefit of promotion in the vacancy occasioned by his appointment to the Staff, but any other death vacancy occurring among the Field Officers will be filled, as usual, by promotion without purchase, unless there be a Supernumerary Major whose period of service on the Staff has expired.

5. If the Major, while employed on the Staff, shall succeed to the Lieutenant Colonelcy of the Regiment, whether by purchase or otherwise, he will be required to relinquish his Staff appointment and join his Regiment.

6. If the Major, while employed on the Staff, shall hold the rank of Brevet Lieutenant Colonel, he shall, on attaining the rank of regimental Lieutenant Colonel, reckon his Staff Service as qualifying service for the rank of Colonel under the five years' rule, as provided in Clause 9 of the Warrant of the 14th October, 1858, for

Majors and Brevet Lieutenant Colonels falling into the temporary command of regiments.

7. If the Major shall resign his Staff appointment on grounds not satisfactory to the General Commanding in Chief and Secretary of State for War, or be displaced for misconduct or incapacity, he will cease to be entitled to the benefit of this Regulation, and be placed upon the Half-pay List.

8. Vacancies occasioned by the appointment of Captains and Lieutenants to the Royal Military College, Sandhurst (comprising the Staff College and Cadets' College) under the provisions of the Warrant, will be filled up in the regiment, without purchase; the Cornetcy or Ensigncy vacated by promotion, or by appointment to the Royal Military College, being filled by purchase, for the benefit of the Reserve Fund.

9. If a Captain should be promoted to the rank of Major, or a Lieutenant to the rank of Captain, or a Cornet or Ensign to the rank of Lieutenant, by purchase, while at the Royal Military College, Sandhurst, the difference between the sum paid by him, and the full value of the superior Commission will be made up from the Reserve Fund, thereby putting an end to the Supernumerary Commission vacated by him; but the Captain, on attaining the rank of Major, whether by purchase or otherwise, *will be* required to join his Regiment.

10. On promotion to higher regimental rank of a Supernumerary Cornet, Ensign, or Lieutenant, whether by purchase or otherwise, he will become a Supernumerary in the new grade, and will carry up with him the Officer next for promotion.

11. The principle in Clauses 2, 4 and 7 of these Regulations, applicable to Majors on the Staff, shall govern the appointments at the Royal Military College, Sandhurst, whatever may be the regimental rank of the Officer.

12. Regimental Colonels and Lieutenant Colonels of Artillery and Engineers employed as Colonels on the Staff, and in other situations on the General Staff referred to in the Warrant, will remain on the establishment of their Brigades or Corps, but will, in accordance with the practice in other branches of the Service, only be allowed a sum equal to the half-pay of their regimental rank in addition to Staff Pay.

13. Regimental Colonels of Artillery commanding certain districts or divisions, with the rank of Colonel on the Staff, will remain on the establishment of their Brigades, receiving such a reduced rate of Staff Pay as, with regimental full pay, will be equal in the aggregate to the established rate of regimental half-pay and the full rate of Staff pay.

14. Lieutenant Colonels of Artillery and Engineers holding the appointment of Deputy Adjutant General or Deputy Quartermaster General may retain their Staff appointments when promoted to the regimental rank of Colonel, should such promotion happen during the period prescribed for holding their Staff appointments.

15. Lieutenant Colonels of Artillery and Engineers filling the appointments of Assistant Adjutant General or Assistant Quartermaster General, will be required to relinquish their Staff appointment on promotion to the rank of Regimental Colonel, should such promotion take place during their term of Staff Service.

16. Captains and Subalterns of the Royal Artillery and Royal Engineers employed as Professors and Masters at the Royal Military College, Sandhurst (comprising the Staff College and Cadets' College), and Royal Military Academy, Woolwich, and the Assistant Inspector of Studies at the latter Institution, will be continued as at present on the strength of their Regiment or Corps, as Supernumeraries to the Establishment, and receive their pay and allowances under the Regulations specially applicable to Supernumerary Captains and Subalterns.

17. Captains of the Royal Artillery and Royal Engineers, if promoted to the rank of Regimental Field Officer during the term of their employment as Professors and Masters, will be required to relinquish their appointments, and join their Brigades or Corps.

18. Although the Clauses from 12 to 17 have been framed with special reference to Officers of Artillery and Engineers, it is to be understood that the general provisions of these Regulations are also to be adopted in every way in which they can be made applicable to those two Services.

SIR,—The Secretary of State for War having had under his consideration the difficulty experienced by Rifle Volunteer Corps in obtaining a sufficient number of Serjeant Instructors, has decided upon extending the provisions of Volunteer Circular No 5, of the 22nd August, 1861, by sanctioning the employment of a second class Serjeant Instructors, under the following conditions:—

Article 150 B.—The qualifications required of Second Class Serjeant Instructors for Rifle Volunteer Corps are as follows:—

(*a*) Service in the Imperial or Indian Armies or the Embodied Militia.

(*b*) A competent knowledge of Infantry Drill, to be ascertained from the report of an Officer appointed by the Secretary of State to institute a practical examination.

(*c*) A good character established by satisfactory testimonials.

152 C A Second Class Serjeant Instructor will receive consolidated pay at the rate of 1*s.* 4*d.* a day.

167 B. War Office, 12*th August*, 1862.

IN order to remove any misapprehension which may exist with regard to the grant of free passages to the children of Officers of the Military Store Service and of Barrack Masters, under War Office Circulars 139 and 552, Sir George Lewis considers it necessary to issue the following Regulations for future guidance:—

Free passages will not be granted to the sons of Officers of the Military Store Service or of Barrack Masters, who are above eighteen years of age, and residing with and dependent upon their parents, unless suffering from any bodily or mental infirmity. All such cases are to be submitted to the Secretary of State for special consideration. The unmarried daughters dependent on, and residing with, their fathers, will be granted free passages.

Schoolmasters.—8. *War Office, 18th March*, 1862.

SIR,—A letter having been received from the Officer Commanding the Scots
ier Guards, relative to the re-enlistment of Schoolmaster Chambers, I am directed
ecretary Sir George Cornewall Lewis to transmit, for the information of His Royal
hness the General Commanding in Chief, the enclosed copies of a letter addressed
he Judge Advocate General from this Department on the subject, and Mr. Head-
's reply thereto; and I am to state that under the opinion given by the Judge
ocate General, Sir George Cornewall Lewis considers that the course indicated
ein, in regard to the periods of re-enlistment, should be followed in any cases
ch may in future arise.

am to add, that the Officer commanding has been informed of the decision arrived
this case, and that the course pursued by him in carrying out Chambers's re-
agement was correct in regard to the interpretation of service as affected by the
iny Act.

I am, &c.

War Office, 12th March, 1862.

SIR,—In transmitting the enclosed copy of a letter from the Officer com-
nding the Scots Fusilier Guards, accompanied by the attestation of trained Army
hoolmaster J. Chambers, I am directed by the Secretary Sir George Cornewall
wis to state that by the Regulations of the Service, it is the practice, when Assistant
hoolmasters are sent to Chelsea to enable them to qualify for the higher appointment
Schoolmaster, to exclude the period whilst they are so studying at Chelsea, from the
me which is allowed to reckon as Schoolmaster's service towards pension, and, further,
allow only one-half of the time actually employed as Assistant Schoolmaster to
ckon as Schoolmaster's service towards Pension.

Sir George Cornewall Lewis apprehends, however, that such a mode of reckoning
ime towards pension cannot be applied to the calculation of service for the period
mbraced in the attestation as binding the individual to a precise period of military
ervice. Before, however, arriving at a decision on this point, Sir George Lewis is
esirous of being furnished with your opinion as to whether the military service
nder the attestation actually expires at the date of the period therein specified, and a

such re-engagement can be postponed until the Schoolmaster has served sufficient
to enable him to reckon 10 years as such towards pension after the age of 18, w

Orderly Room, Scots Fusilier Guards,
London, 14th February,

SIR,—Doubts having arisen as to whether the Schoolmaster named in
margin [James Chambers], now attached to the 2nd Battalion of the regiment
my command, was eligible to re-engage for a further period of eleven years in
1861, I have the honor to submit the case to your consideration, and to request
will be pleased to acquaint me with your decision.

It will be seen by the accompanying attestation, that James Chambers enlist
eleven years (being only 17 years of age at the time) on the 6th July, 1839.
admitted that in July, 1861, only seven years and six months of his total servic
allowed to reckon *towards the increased rate of pension of Schoolmasters*: but sho
he revert to the rank of a private soldier, the whole of the periods noted in the
tation, as reckoning only one-half towards pension as Schoolmaster, would
towards pension as a private, as he did not enlist as a Schoolmaster, but as a
Her Majesty's army, for eleven years; and as he was never absent from his
any of the causes mentioned in clause 8 of the Enlistment Act, I respectfully
that he completed the period of service for which he enlisted on the 8th July, 1
that the re-engagement was not only legal but necessary; and that he could
held to serve for a longer period without being re-engaged.

Be pleased to return the attestation with your reply.

Judge Advocate General's Office, 13th March,

SIR,—In reply to your letter of the 12th instant, transmitting the
papers (herewith returned), and requesting an opinion as to whether, in the
James Chambers, who appears to have been attested as a private soldier on the
July, 1850, then being 17 years of age, for the term of eleven years, his military
expired on the 8th July, 1861, and whether a re-engagement, if the service is
becomes necessary at that date, I have the honor to inform you that, in my opinion
this soldier's military service expired on the 8th July, 1861, and that, if it is to be
tinued, a re-engagement at that period becomes necessary.

For the circumstance of his having been appointed to be a Schoolmaster does
appear to me to affect the incidents of his military service under his attestation.
the provisions of the 8th section of the 10 & 11 Vict. cap. 37, do not appear to
be applicable to the case.

I have, &c.,

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of this original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1856.
